

SPECIMEN FISHING

All members have a realistic chance of catching a specimen fish whilst fishing club waters. In recent seasons, SDAA's fisheries have produced an envious list of specimens:

- catfish over 60lb *The Airman*
- carp over 40lb *Willington Lake*
- pike over 30lb *The Airman*
- barbel over 14lb *Little Paxton*
- tench over 10lb *Willington Lake & Broom Lake*
- bream over 10lb *Willington Lake, The Airman & Broom Lake*
- zander over 10lb *Little Paxton*
- chub over 6lb *Pavenham, River Flit/Ivel Navigation & Broom River*
- perch over 4lb *Broom River*
- roach over 3lb *The Airman*
- crucians over 3lb *Broom Lake*

Specimen Fish Trophies

- Details of the specimen fish trophies can be found in the current membership book.
- The Tookey Trophy winner for best overall specimen will receive **FREE** SDAA membership for the following season.
- The closing date for entries is 16th March. *(All trophies should be returned by 20th February)*
- A specimen fish claim form can be downloaded from the website.
