

MATCH FISHING 2017-18

Entry to SDAA matches is usually free with an option pools available. All members must vacate the match venue by midnight on the eve of any match listed in the match calendar (for the catfish match vacate the venue by 3pm). Waters will reopen for general fishing 2 hours after the end of the match. In the event of a venue being unfishable The Airman will usually be used as the reserve venue, pegging around any anglers already fishing. No 'pegged down' matches will be allowed, except those sanctioned by the General Committee.

The monthly match series will comprise of nine matches, which may run alongside a series of interclub matches. The whole lake will be reserved for any interclub matches. For the match series pegs 1-5 & 30-42 (inclusive) will be reserved at Broom Lake, pegs 2-12 (inclusive) at The Airman and all pegs between the farmer's wooden 5 bar gates along the track at Willington Lake. All match pegs remain closed for the duration of the match unless agreed with the match secretary.

Night permits are not required to fish matches in the '24h series', which will include three overnight matches with one match fished on each of our main lakes, plus the catfish match fished over two nights at The Airman with the draw at 6pm on Friday 1st September and finishing at 9am on Sunday 3rd September. Anglers will be allowed to fish The Airman on Friday 1st September provided all the swims are vacated by 3pm.

The pike series will be run over 7 matches (3 on Saturdays and four on Sundays) and the overall series winner will be decided from the best four results (3 points for the winner, 2 for second and 1 for third). In the event of a tie on points the total weight over the full series will decide. There will also be a trophy for the largest pike caught in the series. A one off Christmas pike pairs match will also be held with a match entry fee of £20 per pair, with all monies paid out as prizes on the day. The whole lake is reserved for pike matches and participants will be allowed to use up to three rods.

In addition to SDAA matches, members can also fish traditional matches organised by the Ivel Protection Association and further details are available at www.ipafishing.co.uk
