

## MATCH FISHING 2019-20

Entry to SDAA matches is free (except the pike pairs match) with an option pools available. All members must vacate the match venue by midnight on the eve of any match listed in the match calendar (for the catfish match all the swims at The Airman must be vacated by 3pm on Friday 26<sup>th</sup> July). Waters will reopen for general fishing 2 hours after the end of the match. In the event of a venue being unfishable The Airman will usually be used as the reserve venue, pegging around any anglers already fishing. No 'pegged down' matches will be allowed, except those sanctioned by the General Committee.

Contact Nigel Gilbert (07931 215778 evenings & weekends only or [ngthelumberjack@googlemail.com](mailto:ngthelumberjack@googlemail.com)) for further details of the 24h series (including the catfish match) and pike series.

The draw for matches will be a 'walk off' (rather than for a specific peg). Night permits are not required to fish matches in the '24h series', which will include 6 overnight matches, plus the catfish match fished over two nights. The pike series will be run over 8 matches. The overall winner of each series will be decided from the total points scored (5 points for the winner, 4 for 2<sup>nd</sup>, 3 for 3<sup>rd</sup>, 2 for 4<sup>th</sup> and 1 for 5<sup>th</sup>) and participants will be allowed to use up to three rods. In the event of a tie on points the total weight over the full series will decide. There will also be a trophy for the largest pike caught in the series. A one off Christmas pike pairs match will also be held with a match entry fee of £20 per pair, with all monies paid out as prizes on the day.
