If the junior wishes to fish their own swim or with two rods, they must first purchase a full Junior Membership Book. Full Junior Members aged 12 and over can also fish unaccompanied (with parental consent), except whilst night fishing.

Note 6 Associate Junior Membership And Night Fishing

- The SDAA committee has decided to extend the concession on night fishing for Associate Junior Members. This is still being run as a trial, which may be modified or withdrawn without notice.
- This initiative is designed to allow Associate Juniors to sample the experience of night fishing at no charge. The adult Member must judge whether the Associate Junior is capable of actively fishing at night or whether to just enjoy the 'camping' experience.
- Adult Members (aged 18 or over) can be accompanied by a single Associate Junior whilst night fishing SDAA waters provided prior permission has been granted by a parent/guardian by signing the declaration on the Associate Junior Membership card. The adult Member must be in possession of the appropriate adult night permit whilst night fishing The Airman, Broom Lake or Willington Lake.

Note 7 The form must be signed by a parent/guardian. If the parent/guardian is not the Member who will accompany the child, they must also provide their contact details.
