Please read all these notes carefully before completing your application form. Failure to complete the application form correctly or not provide the correct information will result in your application being delayed. The committee has the right to refuse applications for Membership and Night Permits. Membership and Night Permits will be valid from 16th June 2021 until 15th June 2022.

- Note 1 Personal information you provide will be held on the SDAA Ltd members register computer database and will not be passed on to any other organisation. If you provide phone numbers and/or an email address it will be assumed that you have no objection to these being used by the club to contact you. Fields marked with an asterisk (*) must be completed or your application will not be processed.
- Note 2 Membership cards will not be valid for fishing unless a passport style ID is securely attached to the inside cover of the membership card.
- Note 3 Night Permits are required to night fish at The Airman, Broom Lake and Willington Lake. A membership card that includes a night permit will be issued to those that also apply for membership plus a night permit.
- Note 4 The upper age for Junior Membership is in line with the EA Junior rod licence (i.e. an EA Junior rod licence is required for persons who have reached the age of 12 but have not reached the age of 17). Alternatively children under the age of 17 years can apply for **free** Associate Junior Membership via the Registrar (different form). Associate Junior Members can only fish with a single rod when supervised by a member aged 18 or over in the same swim. Associate Junior Members cannot fish IPA waters or vote at the AGM. Please note that Juniors and Associate Juniors are only allowed to fish when accompanied and supervised by a member aged 18 or over (authorised by a parent/guardian)*. The only exception is that Juniors aged 12 or over are allowed to fish unaccompanied during the daytime, provided a signed copy of the 'SDAA Junior Parent / Guardian Consent Form' has been received by the Registrar. **Please note that due to additional rules introduced to help conform to government guidelines on social distancing supervising members aged 18 or over must be from the same household (or support bubble) as the Junior or Associate Junior member*
- Note 5 Junior Night Permits are required by junior members to night fish at The Airman, Broom Lake and Willington Lake. Junior Night Permit holders must be accompanied by a Night Permit holder aged 18 or over (authorised by a parent/guardian)* and occupy the same swim whilst night fishing at The Airman and Broom Lake, or adjacent swims at Willington Lake. **Please note that due to additional rules introduced to help conform to government guidelines on social distancing supervising members aged 18 or over must be from the same household (or support bubble) as the Junior member*
- Note 6 Night Permit holders (but not juniors) can be accompanied by a **single** non-fishing guest whilst night fishing The Airman, Broom Lake and Willington Lake, provided they obtain a Non-Fishing Night Guest Permit in advance, which cost £25 a season. Non-Fishing Night Guest Permit Membership cards will not be valid unless a passport style ID is securely attached. Night Permit holders must accompany their non-fishing guests at all times and will be held responsible for their actions*. Please note that guests are not members of the club and therefore guests are not covered by the club's insurance. Night Permit holders are only allowed a single non-fishing guest at any time whilst night fishing, but a Night Permit holder may purchase more than one Non-Fishing Night Guest Permit each season. **Please note that due to additional rules introduced to help conform to government guidelines on social distancing Non-Fishing Night Guest Permits are only available for non-fishing guests from the same household (or support bubble) as the member*
- Note 7 Keys are required to open gates at The Airman, Broom Lake, Willington, the parking area near Jordans Mill and the allotments at Little Paxton. Keys from last season (A10) will still fit locks after 15th June 2021.
- Note 8 You **must** insert your 2021/22 membership book number, which is printed in the top right hand corner of the page containing your name and address.
- Note 9 Adobe 'Fill and Sign' is usually present from the 'Tools' menu if you open this PDF on a PC or laptop. A free Adobe 'Fill and Sign' App is available to download for most mobile devices (phones and tablets). Whilst using 'Fill and Sign' if you waive the cursor over a set of boxes, it should turn blue, and then when you click your typing should neatly fill in the boxes. Once you have filled in the form save it as a file including your surname in the filename and attach the file to your email application.
- Note 10 If you are happy to do so, we will accept electronic transfers (when you email your application to info@shefforddaa.org.uk they will provide details of the SDAA Ltd account to use). However, we will not accept any liability if you accidentally send the money to an incorrect account. You will be asked to include your surname in the reference section for the transfer as we will need to check that the money is in the SDAA Ltd account before sending you your documents.
- Note 11 Please note that if any cheques are returned, the club incurs additional costs. **We will charge you an additional £15 if a cheque is not honoured by your bank.** We do not accept cash.
- Note 12 There is no need to include a stamped SAE or photos with your application. Documents will only be posted out once payment has been confirmed and cheques have cleared
